

# Holiday Skip-A-Payment

How about a little extra cash for the holidays? It's our gift to you!

FCU can put some extra cash in your pocket by giving you a break from your loan payments with our Holiday Skip-A-Payment program.

For just a \$25 processing fee, you can skip your regular loan payment(s) in December or January. To take advantage of this offer, complete the form and forward it to us no later than December 18, 2009.

I hereby request my loan payments be deposited into my savings account instead of being applied to my loan for the month of:

(check one only)     December     January

The \$25 processing fee can be:

(check one only)     taken from savings     added to my loan balance

I understand that real estate loans are not eligible and that interest on the balance of the loan will continue to accrue until the next payment is made.
