

Get Pre-Approved, and

RACE

*through the
car buying experience.*

The finish line is in sight – before you visit the dealership!

Act now for affordable payments and low rates

Sometimes, how you finish depends on how you start. Take buying a car, for example. If you start by getting pre-approved at Florida Credit Union, the rest of the process just falls into place.

Here's how it works:

- Call or stop by your nearest branch and provide a little information. We will set up your loan – so you'll know how much you can spend, and what your payments will be.
- You can shop as a cash buyer, with no need to run all over town or haggle over financing.
- Want to enjoy a quick, easy buying experience? Look to FCU – and start your engines!

For more information on pre-approval or to get a personalized quote, just call or stop by any branch or visit www.flcu.org. Our loan officers are available by phone 24 hours a day, 7 days a week - call at your convenience.
