Take your auto loan in the right direction

When it's time to buy a new or used vehicle, FCU can help you navigate your financing options. Just follow this simple, 3-step plan:

1. Come straight to us for pre-approval. We can set up all the paperwork and let you know exactly what your payments will be.
2. Shop for the vehicle you want. There's no need to wade through confusing paperwork, because your financing is all set.
3. Drive home happy! Your FCU auto loan provides affordable payments with convenient payment options.

If you already made a wrong turn by financing somewhere else, we can still help! You could save hundreds of dollars by refinancing your loan here at Florida Credit Union.
