It's a small change – with big benefits

Paperwork has a way of piling up. And that's not good for the environment – or for you! But with eStatements from Florida Credit Union, you can simplify your life and help save some trees.

What are eStatements?

eStatements are simply electronic versions of your regular statement. Rather than receiving a paper copy in the mail, you will receive an email letting you know that your information is ready to be viewed online.

Sounds easy. Is it secure?

Yes. You will view your eStatement through our safe, secure online banking system. After you log in, you can download your statement and archive it on your home computer, print it out, or simply view it.

Is there a charge for this service?

No. eStatements are completely free.

Great! How do I sign up?

Just log in to home banking, click on "Preferences", then "eStatement Selection". As always, you can contact FCU if you have any questions.
